

Minutes of meeting
Sustainable Berea
Sept 13, 2007
6 – 7:30 p.m.

Friends Meetinghouse
300 Harrison Road

Twenty seven people attended the meeting which began with the potluck. Cheyenne announced that we have 21 members, including one at the patron level (\$100) and one at the supporter level (\$50). Our treasury has \$1,350. Gina Chamberlain and Mark Jeantheau have accepted positions on the SB board of directors.

Five people expressed interest in having a rain barrel. Plans are still being finalized about how the rain barrels can be an ongoing project with Sustainable Berea.

People volunteered for the following tasks:

Betty Sarafin – help typing the recipes from the 10-mile pot luck dinner.

Christina Harper took recipes to type electronically.

Christina Harper also has time to do writing, research, looking things up on the internet.

Betty Sarafin and Deborah Messenger, help with the local directory. (will work with Gina Chamberlain.)

Deborah has skills in newsletters, public relations, directories and will help with any of those needs for SB.

Doreen Parsley will submit by Sept 30 for the SB newsletter, three short stories about people who grow and sell produce locally.

Roseann Effron said she would like to see people who are members of Sustainable Berea be featured in the newsletter. We will be doing this as soon as we determine, through our membership drive, who is a member.

The film, *Escape from Suburbia* will be shown at the next meeting.
Due to technical difficulties, we did not see it at this meeting.

Recorded by Cheyenne Olson
